

GRADE 9: 2019-2020 REGISTRATION

Student Name: _____

Total Credits Requested: _____

I understand the importance of this registration, as the data will be used to form classes, plan the master schedule, and hire/assign teachers for next year. I studied the Class Description Booklet with my parents and received their approval on my course selections.

REQUIRED COURSES (5 credits):

These courses are automatically selected for all 9th grade students:

English 9 A & B (1 credit)	US History 9 A & B (1.0 credit)
Physical Science 9 A & B (1 credit)	College and Career Readiness I (.50 credits)
	Physical Education 9 (.50 credits)

Choose One Full Year of Math (1 credit):

_____ 38 Advanced Algebra A°	_____ 36 Geometry A°
_____ 39 Advanced Algebra B°	_____ 37 Geometry B°
_____ 54 Algebra 1A°	_____ 310 Intermediate Algebra A°
_____ 55 Algebra 1B°	_____ 311 Intermediate Algebra B°

CHOOSE 6 ELECTIVE CLASSES. (Place an "X" next to elective choices) -these will serve as your first choice

Then choose 4 alternate classes and mark them with an "A". Alternates will be used if one of your electives cannot be scheduled.

Full year classes are separated into semester classes on this sheet. Choose both A and B if it is a full year course.

If you choose ONE music class, you will have study hall every other day (you do not have to choose Study Hall on this sheet).
