Veteran's Day Programs

Work on farewell (resigning) cards (we decided last meeting that this would be a way to acknowledge their service but that we wouldn't throw a going away party for everyone who leaves).

Committee signed 10 cards for people who haven't worked for the district that long, but that can be given out when people leave. We'll add the person's name prior to giving it to him/her.

Discussion of others to recognize: subs, coaches, and donors for school projects (like Winter Bash, Fab Lab, Makerspace, others?)

- PTO
- Coaches- Cards signed by committee. Simple acknowledgement is nice. School support is appreciated.
 - Fall Coaches- December Meeting
- Subs- National Teacher day is May 9 , we have done a week before in the past?
 - Two pieces of chocolate in sub folder each day! "Thanks for being apart of our Panther team today!"
- Bigger donations-- fab lab, etc- Principal Agenda

Staff appreciation days:

Thanks for those who've taken pictures of the groups so far. Thanks to Jeanie for posting to Facebook.

Ken's Word on the Street-

Biggest word on the street was the Veteran's Day program. So many positive comments on program and the behavior of kids in the program. Kids were so respectful. Such a positive :)

Questions- About apartments, housing by elementary?, new road is better!
