

WILD Board

(Weather Impacted Learning Day)

Choose one activity box from each category to complete (5 total). Four steps of reading is a required activity for one of the five. Parents/Guardians/Daycare Providers—please initial each box your first grader successfully completes. The *signed* WILD Board with any necessary attached work is due no later than one week after the school closure day. Since this counts as a school day, failure to complete the activities will result in an unexcused absence. Thank you for your support in providing a fun learning day for our students when we can't be in school!
